Professional Development Days (PDD)

Centered around our multi-day educational event in September / October. This is the premier gathering of project management professionals in the Upper Midwest Region and is recognized across the world as a model for other chapters.

Opportunities include:

- A visual display of your organization's name, logo and vendor booth.
- Published logo in hand-outs with program guide.
- One and two day education seminars, as well as 16-session Symposium & Vendor Fair on the Thursday of the event.
- Promotional merchandising give-away "SWAG".
- Connect with 1,100 attendees during this four day event including 700 attendee symposium on Thursday.
- Unique tiers of sponsorship are available for this professional conference.

Benefits to Sponsoring Professional Development Days

We have world class national and international speakers that talk on current topics to the project management profession!

- Biggest event of the year in the region for project managers.
- Huge branding opportunity with ability to have banners, booths and giveaways.
- Meet face to face with customers, buyers, candidates and partners.
